*output for white struc, 3000K, 25°

A portmanteau of ‘cubic’ and ‘mini’, w introduces modular, miniature, recessed LED lighting solutions to residential and hospitality venues and boutiques. Qbini allows to effortlessly express a unique lighting concept in every project. Available in a load of shapes, frames, colours and accessories, Qbini combines choice with exclusive design and high-quality lighting technology.

Small in size, great in light quality

Our smallest recessed portfolio at 44mm square, Qbini’s patented press-in, press-out technology makes installation simple, no screws required. Despite being sources of illumination, each Qbini unit has a tactile, precisely-machined appeal that fits in the palm of the hand.

Endless combinations

Qbini can be combined with 2 different frames: with or without a trim. Both of them are available in 1x, 2x, 3x or 4x lamp configurations. Its new surface box (driver included or driver excluded) gives you even more choice! Mix, match and create your preferred configuration.

Patented precision

Qbini’s patented press-in, press-out technology makes it a breeze to install. The family’s small size, cutting-edge design and dual positioning options (recessed or deep recessed) add a modern yet cosy touch to any intimate space.
